

# 1909 - 2009

## A HUNDRED YEARS OF INNOVATIONS AND EXCELLENCE

On the occasion of the centenary of Ettore BUGATTI's arrival in Molsheim, this collective publication traces a hundred years of technological and industrial development. From the very first automobiles to the Veyron, from aircraft engines and helicopter rotor blades to aeronautical landing and braking systems, the book takes you on a journey through this innovative world, with lavish illustrations and previously unpublished documents.
